

**Katharine Fitzgerald, Community Volunteer**

**Why did you join the Community Foundation of Orange and Sullivan's (CFOS) Board of Directors?**

I joined CFOS because I believed in the mission. Having an organization that supports the community, allows individuals to make a difference for the causes they believe in before or after they are gone deserves my support.

**What do you enjoy doing when you aren't working or volunteering?**

I'm retired and seem to be busier than ever. Besides being on the CFOS board, I am also on the board of directors for Inspire. I am blessed with many friends and a large extended family. All of which keep me busy.

**What is one quote that you try to live by?**

"Live and let live."

**What are your favorite worthy charitable causes?**

I support many charities. I like to keep it local. Because there are so many worthy organizations that struggle every day to provide services to Orange County, I feel committed to do what I can.

**What is one thing that people don't know about you?**

I keep my emotions in check but I am very sentimental.

**What are two things that make you the happiest?**

Family and friends.
