About the Community Foundation of Orange and Sullivan

It's really quite simple: We facilitate and manage endowment funds that grow and benefit our community... now and forever.

Through the generosity of individuals, families, businesses and community based organizations, the Community Foundation administers nearly 400 charitable funds that support a wide range of charitable causes including animal welfare, arts & culture, libraries & museums, the environment, parks & public space, health & human services, youth, community events and more. Since the Foundation's establishment in 1999, over \$24 million in grants and educational scholarships have been distributed. Our Board of Directors and volunteer committees oversee all aspects of the organization, and our staff of five employees work to carry out our mission of connecting people who care with causes that matter every day.

If you're interested in learning more about how you can make a lasting impact in your community by donating or starting your own fund, contact the Community Foundation of Orange and Sullivan at **(845)769-9393** or visit our website at **cfosny.org**.
