

VOL. 2 ISSUE 1 · SUMMER 2024

# LAKE ASSOCIATION OF WHITE LAKE, NY

Formed as a 501(c)(3) nonprofit organization by residents in the White Lake and Kauneonga Lake community to protect the White Lake watershed and ecosystem. Your support will help to ensure that the entire Bethel community is able to enjoy White Lake's recreational and scenic beauty for generations to come. We are members and take part in the following:

**NYSFOLA:** New York State Federation of Lake Association  
**CSLAP:** Citizens Statewide Lake Assessment Program  
**CRISP:** Catskill Regional Invasive Species Partnership  
**CFOS:** Community Foundation of Orange and Sullivan County

## 2024 Initiatives

Advocate for White Lake designation as a Critical Environmental Area (CEA) -- the first in Sullivan County!

Participate in year two of the NY State water sampling program (CSLAP) to monitor algae blooms, and to assess phosphorus, nitrogen and other water quality levels in the lake.

Attend and provide input to the Town of Bethel's Comprehensive Plan Open House on June 2.

Participate in the USDA in NY State program to manage the goose population to healthy and sustainable levels.

Initiate the process to establish the White Lake watershed and this designated inland waterway as part of the New York State Local Waterfront Revitalization Program (LWRP).
